1. Accounts for the month of November 1887 showing—

Receipts	..	7,643—1—9
Expenditure	..	5,541—12—9

were read and approved.

2. The Board observed that while the charges for interring unclaimed dead bodies were borne by the Municipality, the sale proceeds of property found with them were credited to Government.

Resolved that Government may be moved for an order transferring the charge to Government account or the receipts to Municipal account also.

3. Read Chief Secretary's letter No. 1979, dated 27th November 1887, forwarding Dewan's Memorandum on the Mysore water-supply distribution scheme which has received the sanction of His Highness the Maharaja of Mysore, and the Sanitary Engineer's letter No. 1334, dated 6th December 1887, on the same subject.

Resolved that a list be made out of all the places which the Sanitary Engineer marks out as fountains are proposed to be erected. That this list be circulated to the respective Mohalla members and that a meeting be convened thereafter to discuss the list and settle the matter finally.

4. With regard to the question of the best means of imposing a water-tax, the following members were desired to join themselves into a Sub-Committee for inquiring into the schemes in force elsewhere and to report upon a proposal for Mysore by the 15th February.
